

亞利桑拿省中華商會
CHINESE CHAMBER OF COMMERCE OF ARIZONA
P.O. Box 32865 • Phoenix, Arizona 85064-2865

About our Chamber:

The Chinese Chamber of Commerce was incorporated in 1939, a time when discrimination was prevalent. The Chamber's priority as an organized group was to integrate into the mainstream of society through participation and involvement in community affairs.

As the first organization formed to benefit the livelihoods of the Chinese community, the Chamber was joined by almost all the merchants and their families who looked to the Chamber for guidance regarding business and civil matters in their new country. One of the earliest efforts to combat criticism for their perceived lack of patriotism was initiating the Chinese celebration of the Fourth of July, a tradition that is ongoing to this day. As immigrants, the founders of our Chamber paved the way for the Chinese to compete in business freely and without the many hindrances they once faced.

Your support through membership is important to our organization. The Chinese Chamber of Commerce enjoys the respect and recognition of the small business and corporate community, as well as state, city, and county government entities, and needs your help to continue as a viable organization.

The Chamber's annual activities include business mixers, a fall membership dinner, and an annual Anniversary and Chinese New Year banquet at which scholarships are awarded to outstanding students whose parents are members. All members of the Board are community volunteers and serve two-year terms.
